

# Hate This Place

Goo Goo Dolls

Gone away  
Who knows where you been  
But you take all your lies  
And wish them all away

I somehow doubt  
We'll ever be the same  
There's too much poison  
And confusion on your face

Can you feel it?  
I didn't mean it  
Can I see you?  
What are we doin'?  
I think I love you  
But I ain't sayin'  
Nothin' you don't know

Hold on dreamaway  
You're my sweet charade

Take your time  
Move yourself to me  
Yeah, I can take your lies  
Until you fall away

You know I'm lost  
Hiding in your bed  
No, I don't think it's wrong  
It's just gone to my head

Can you feel it?  
I didn't mean it  
Can I see you?  
What are we doin'?  
I think I love you  
But I ain't sayin'  
Nothin' you don't know

Hold on dreamaway  
You're my sweet charade

Hey, whatcha do to me?  
Would you come back to me?  
Yeah, I can't do another day  
I'm not certain of it anyway  
I ain't messin' with another life  
Can I get along without you?  
Tell me the lies that you know I need

Hold on dreamaway  
You're my sweet charade

Hold on dreamaway  
You're my sweet charade

Hold on dreamaway

Hold on dreamaway
