

# Hey Ya

Goo Goo Dolls

1. If I could give you  
All the things you've been denied  
Would it change you  
Would you feel alive  
But all that's left now  
Are these words that I've been trying to say to you  
And together we'll get by somehow

All you ever wanted was someone to find  
The truth you hide from everyone deep inside

R: Hey ya, hey ya  
You're the only one I want  
Hey ya, hey ya

2. And I would drown to save you  
From the sinking thoughts you feel  
And I'll love you just the same  
So don't you ever feel ashamed  
Cause we all get tired of fighting  
Just to feel like we belong  
And I know you feel forgotten  
But I've been here all along to say

R: Hey ya...

And you hide yourself so deep inside

Will I ever see ever see you

Now I'm the one who's been denied

But I believe in you believe in you

R: Hey ya...
