## **Goo Goo Dolls**

1. If I could give you
All the things you've been denied
Would it change you
Would you feel alive
But all that's left now
Are these words that I've been trying to say to you
And together we'll get by somehow
All you ever wanted was someone to find

The truth you hide from everyone deep inside

- R: Hey ya, hey ya You're the only one I want Hey ya, hey ya
- 2. And I would drown to save you From the sinking thoughts you feel And I'll love you just the same So don't you ever feel ashamed Cause we all get tired of fighting Just to feel like we belong And I know you feel forgotten But I've been here all along to say

R: Hey ya...

And you hide yourself so deep inside

Will I ever see ever see you

Now I'm the one who's been denied

But I believe in you believe in you

R: Hey ya...
