

And I'd give up forever to touch you
Cause I know that you feel me some how
You're closest thing to heaven that I'll ever been
And I don't want go home right now

And all I can taste is this moment
And all I can breath is your life
And sooner or later it's over
I just don't want to miss you tonight

And I don't want the world to see me
Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

And you can't fight the tears that ain't coming
All the moment of truth in your lies
When everything feels like the movies
Yeah, you bleed just to know you're alive

And I don't want the world to see me
Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

And I don't want the world to see me
Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

And I don't want the world to see me
Cause I don't think that they'd understand
When everything's made to be broken
