Livin' in a Hut

Goo Goo Dolls

I've got an ugly liver from drinking too much I've got painful sliver from thinking too much Oh, I don't want to go on livin' in this rut Oh, I think I'll go out and build me a hut but Curiosity has got me Tied up right back where it wants me And all the things that you will do Make me think I haven't got a clue

I've good a real good sense for seeking out the booze But I can't afford to buy a pair of shoes And when I get some cash it's already been spent Oh, I can smoke and drink but I can't pay my rent

I've got an ugly liver from drinking too much I've got painful sliver from thinking too much Oh, I don't want to go on livin' in this rut Oh, I think I'll go out and build me a hut but

Curiosity has got me Tied up right back where it wants me And all the things that you will do Make me think I haven't got a clue
