

# Never Take the Place of Your Man

Goo Goo Dolls

It was only last June when her old man ran away  
She couldn't stop cryin', she knew he was gone to stay  
Ten thirty five on a lonely Friday night  
She was standin' by the fire, uh, she was lookin' alright

I asked her if she wanted to dance and she said  
All she wanted was a good man who wanted to know if I thought I  
was qualified  
I said, baby, don't waste your time  
I know what's on your mind  
I may be qualified for a one night stand  
But I can never take the place of your man

It hurt me so bad when I saw the tears in her eyes  
She was all he ever wanted and now she wanted to die  
He left her with a baby and another one on the way  
She couldn't stop cryin' she knew he was gone to stay

She asked me if we couldn't be friends and I said  
Oh, honey baby, that's okay you know and I know, know, know you  
wouldn't be satisfied

I said, baby, don't waste your time  
And I know what's on your mind  
I may be qualified for a one night stand  
But I could never take the place of your man

I may be qualified for a one night stand  
But I could never take the place of your man

I may be qualified for a one night stand  
But I could never take the place of your man

La la la oh oh woah  
Never take the place of your man  
That's all I need, girl  
Is a one night, one night, one night stand  
I don't wanna be like a steak in your mind  
Oh, girl, if you need a friend I'm there by your side  
Sha la la la, sha la la  
Sha la la la, sha la la
