

Prayer in My Pocket

Goo Goo Dolls

So now you're feeling bad
But I've been thinking of you
They never understand
I'm going to put it in my, my lost book of memories
I'm going to bring it with me everywhere

I got a prayer in my pocket I'll save for you
I wished a million times but they don't come true
I got a prayer in my pocket for just these times
Got a prayer in my pocket that you'll be mine

I had a prayer in my pocket I need so bad
I'm gonna find some peace if it drives me mad
And I hope one day that you'll understand
(Said you're gonna, said you're gonna)
If you see it all right here
Can't you see it's right here?
(Can't you see it?)
Can't you see the sun's up here?
Can't you see it's right...

Come on leave your cares away
Let's shake another, shake another way
Gonna be standing up for how you live
Said you're gonna, said you're gonna

Can't you see it's all right here?
Can't you see it's right...
(Can't you see it?)
Can't you see the sun's up here?
Can't you see it's right...
(Can't you see it?)

I got a prayer in my pocket I'll save for you
(Can't you see it? It's all right here)
I got a prayer in my pocket I'll save for you
(Can't you see it? It's right...)
(Can't you see it?)
I got a prayer in my pocket I'll save for you
(Can't you see the sun's up here?)
I got a prayer in my pocket I'll save for you
(Can't you see it's right here?)
