So Far Away

Goo Goo Dolls

Why do you stare me down?
Am I wrong?
Should I turn and kiss the ground?
And I never felt that way
I ain't the one and you know I don't come from such a place

And I didn't get those things
Those things that you can't grow
You say that it's all my fault
And I don't need to know

Tell me something I don't know
And I'll find that I'm always looking 'round behind me
You said that it's all been said before
Now I find that there's something I don't know

And I hate your attitude
I ain't scared at all 'cause it don't matter what you do
And I'll turn around to see the truth
You're tearing it down, yeah, you're bringing it down
And it's all on you

And I didn't get those things
Those things that you can't grow
You say that it's all my fault
And I don't need to know

Tell me something I don't know
And I'll find that I'm always looking 'round behind me
You said that it's all been said before
Now I find that there's something I don't know

And I know
I don't know
(Rock and roll)
And I'll stay there
If you break enough glass and there's no one to hear
And your heart's full of hate 'cause your mind's full of fear
Let it go

Oh, so far away
So far away
So far away
(Something I don't know)
Oh, so far away
So far away
So far away
