

So Long

Goo Goo Dolls

1. Don't take much lookin' back to know I took my coffee black then

Nothin's different now but nothin' seems the same and it's alright.

2. Your optimistic views your hundred dollar running shoes and Carpel tunnel syndrome we all had a laugh about it

*: I'd love to stick around but I gotta tell you all

R: So long

Oh so long, oh so long

But I didn't wanna tell you all so long

3. Don't take much lookin' back to know I faked that heart attack then

And nothin's different now but nothin' seems the same and it's alright

4. You always spoke the truth from circa disco Abba boots and All that showbiz talk, oh we all had a laugh about it

*: I'd love...

R: So long...

Oh so long, oh so long

But I didn't wanna tell you all so long

I gotta get back to where I belong

R: Long...

R: So long...
