1. Don't take much lookin' back to know I took my coffee black then

Nothin's different now but nothin' seems the same and it's a lright.

- 2. Your optimistic views your hundred dollar running shoes and Carpel tunnel syndrome we all had a laugh about it
- *: I'd love to stick around but I gotta tell you all
- R: So long
 Oh so long, oh so long
 But I didn't wanna tell you all so long
- 3. Don't take much lookin' back to know I faked that heart atta ck then

And nothin's different now but nothin' seems the same and it's alright

- 4. You always spoke the truth from circa disco Abba boots and All that showbiz talk, oh we all had a laugh about it
- *: I'd love...
- R: So long...

Oh so long, oh so long
But I didn't wanna tell you all so long

I gotta get back to where I belong

- R: Long...
- R: So long...
