

Sympathy

Goo Goo Dolls

Stranger than your sympathy
And this is my apology
I've been killing myself from the inside out
And all my fears have pushed you out

I wish for things that I don't need
All I wanted
And what I chase won't set me free
It's all I wanted
And I get scared but I'm not crawling on my knees

Oh yeah everything's all wrong yeah
Everything's all wrong yeah

Stranger than your sympathy
I take these things so I don't feel
And all these thoughts from the inside out
Now my head's been filled with doubt

It's hard to lead the life you choose
All I wanted
When all your luck's run out on you
All I wanted
And you can't see when all your dreams are coming true

Oh yeah it's easy to forget yeah
And you choke on the regrets yeah

Stranger than your sympathy
All these thoughts you stole from me
I'm not sure where I belong
Nowhere's home and I'm all wrong

And I wasn't all the things
I tried to make believe I was
And I wouldn't be the one to kneel
Before the dreams I wanted
And all the talk and all the lies
Were all the empty things disguised as me
Yeah
Stranger than your sympathy
Stranger than your sympathy
