

# Think It Over

Goo Goo Dolls

I am my father's son  
I tried to shake his fate  
But it's too late to die that young  
Fighting to make a change  
If I could listen I would get better  
And better  
If you could hear me I would get better

When it's over what more can I say  
Think it over while you're walking away  
I've been standing on the streets of my head  
Every memory's a shadow  
I can't let go  
When it's over what more can I say  
What more can I say

I built a heavy wall  
Somehow you made it through  
You flew above it all  
Can't hide the truth from you  
(Oooh)  
Baby, baby

When it's over what more can I say  
Think it over while you're walking away  
I've been standing on the streets of my head  
Every memory's a shadow  
I can't let go  
When it's over what more can I say  
Oh what more can I say

I don't know, I don't know  
If we'll meet again, meet again  
I don't know, I don't know  
I just want to sing

Oh yeah (oh yeah)  
Oh yeah (oh yeah)  
Oh yeah (oh yeah)  
I said oh yeah (oh yeah)  
Oh yeah (oh yeah)  
Oh yeah (oh yeah)

When it's over (oh yeah, oh yeah) what more can I say (oh yeah)  
Think it over (oh yeah, oh yeah) while you're walking away (oh yeah)  
Don't leave me stranded (oh yeah) on the streets of my head (oh yeah)  
Every memory's a shadow (oh yeah)  
I can't let go (oh yeah)  
When it's over (oh yeah, oh yeah) what more can I say (oh yeah)  
What more can I say
