

Click

Good Charlotte

Just because i walk like Obie Won Kenobie
you people talk but you don't even know me
and all these guys they think they want to fight me
and all these girls i know that they dont like me
i made them laugh they do it just to spite me
and me in crowds and none of them are like me

i dont care what you say
i dont need you anyway
i'll just go about my day
but any way

you go out on Friday nights
i'll stay in but thats all right
cuz i have found a click to call my own
in crowd out crowd i dont care
your crowd my crowd we can share
cuz i have found a click to call my own
lets go!!

some guys will talk to me
on my computer screen
the best years of our lives
arent as easy as they seem
and one day we'll look back
and then we'll have to laugh
they use to call us babes
and they want our autographs

so i dont care what you say
i dont need you anyway
i'll just go about my day
but anyway
i dont care what you say
i dont need you anyway
i'll just go about my day
but anyway

you go out on friday nights
i'll stay in but thats all right
cuz i have found a click to call my own
in crowd out crowd i dont care
your crowd my crowd we can share
cuz i have found a click to call my own

she said she'd call
but i know she won't
she wont
she wont
but anyway

you go out on friday night
i'll stay in but that's all right
cuz i have found a click to call my own
in crowd out crowd i dont care
your crowd my crowd we can share
cuz i have found a click to call my own

lets go!
but anyway
i dont need you anyway
i dont need you anyway
i dont need you anyway
