Dance Floor Anthem

Good Charlotte

She's going out to forget they were together
All that time he was taking her for granted
She wants to see, if there's more
Than he gave
She's looking for

He calls her up; he's trippin' on the phone now
He doesn't want her out there and alone now
He knows she's movin' it
Knows she's using it
Now he's losing it
She don't care

Everybody, put up your hands
Say: "I don't wanna be in love
I don't wanna be in love"
Feel the beat now, if you've got nothing left
Say: "I don't wanna be in love
I don't wanna be in love"
Back it up now, you've got a reason to live
Say: "I don't wanna be in love
I don't wanna be in love"
Feelin' good now, don't be afraid to get down
Say: "I don't wanna be in love
I don't wanna be in love"

He was always givin' her attention
Working hard to find the things she mentioned
He was dedicated, by most suckers hated
That girl was fine, but she didn't appreciate him

She calls him up; she's trippin' on the phone now
He had to get out and he ain't coming home now
He's tryin' to forget her; that's how he got with her
When he first met her, when they first got together

Everybody, put up your hands
Say: "I don't wanna be in love
I don't wanna be in love"
Feel the beat now, if you've got nothing left
Say: "I don't wanna be in love
I don't wanna be in love"
Back it up now, you've got a reason to live
Say: "I don't wanna be in love
I don't wanna be in love"
Feelin' good now, don't be afraid to get down
Say: "I don't wanna be in love
I don't wanna be in love"

Feel the beat
Feel the beat
Feel the beat
You got nothing to lose
Don't be afraid to get down

We break up, it's something that we do now
Everyone has got to do it sometime

It's okay, let it go
Get out there and find someone

It's too late to be trippin' on the phone here
Get off the wire; you know everything is good here
Stop what you're doin', you don't wanna ruin
The chance that you got to find a new one

Everybody, put up your hands
Say: "I don't wanna be in love
I don't wanna be in love"
Feel the beat now, if you've got nothing left
Say: "I don't wanna be in love
I don't wanna be in love"
Back it up now, you've got a reason to live
Say: "I don't wanna be in love
I don't wanna be in love"
Feelin' good now, don't be afraid to get down
Say: "I don't wanna be in love
I don't wanna be in love"

Love...
Love...
Now you know what to do
So come on, feelin' good.
