

# It Wasn't Enough

Good Charlotte

It wasn't enough [3x]

I will try to believe in the things I cannot see  
But my faith is shaken now like it's never been before  
When I call  
And you don't come  
I don't know what I should do  
Should I call?  
Should I even count on you?

[Chorus:]  
I've given all I can  
It wasn't enough  
To keep you in my hands  
Should I give up?  
I try to understand  
Was it ever enough?  
I don't understand

So here I am once again  
With my back against the wall  
Afraid to show you  
Afraid to tell you  
I don't know you like I did  
I've never been so alone  
I've never felt so insecure  
And now I don't know where I'm going  
In my life I'm not so sure

[Chorus]

Giving up tonight  
I won't let go  
Won't let go of you  
Giving up tonight  
I wanna show you  
Wanna show you  
Giving up tonight  
I won't let go  
Won't let go of you  
Giving up tonight

Am I giving up?  
Giving up

I don't wanna give this up  
I won't

[Chorus]

Everything you want from me  
I fought so hard for everything  
Everything you want from me  
I tried so hard could never be  
Anything you want from me  
Anything you want from me  
Anything you want from me

I gave it all
