

Like It's Her Birthday

Good Charlotte

Tonight I kinda get the feeling my girl is up to something
Something that is no good
She said she only had a meeting but she is dressed for something
Something that is no good

Now I'm not saying that she's cheating, but seeing is believing
Can't believe it what I'm seeing when I stepped inside

She's so wasted, acting crazy
Making a scene, like it's her birthday
Drinking champagne, going insane
Falling on me, like it's her birthday

This ain't the night I thought it'd be
And she ain't shy, apparently
'Cause she's in the crowd and everybody sings
Like it's her birthday

She turns and says don't be surprised, it's gonna be a good night
A good, good night
She's showing me a different side, one I've never seen before
That I ignore

'Cause when I'm up she's all about me
When I'm down she stays around me
Now I know I'm one and only
So I might as well enjoy the ride

She's so wasted, acting crazy
Making a scene, like it's her birthday
Drinking champagne, going insane
Falling on me, like it's her birthday

This ain't the night I thought it'd be
And she ain't shy, apparently
'Cause she's in the crowd and everybody sings
Like it's her birthday

Like it's her birthday
Like it's her birthday
Like it's her birthday
Like it's her birthday

She's so wasted, acting crazy
Making a scene, like it's her birthday
Drinking champagne, going insane
Falling on me, like it's her birthday

This ain't the night I thought it'd be
And she ain't shy, apparently
'Cause she's in the crowd and everybody sings
Like it's her birthday
