

March On

Good Charlotte

1. Don't cry, open up
your eyes and know there's
someone else out there that feels this way.
I'm singin' to you cuz I know
what you've been through and now it's not
that long ago I felt the same.

R: Like soldiers, march on.
if we can make it through the night we'll see the sun.
March on. March on.

2. I remember summer nights alone,
Fireflies the only thing we owned,
all we had were dreams of California.
And I remember winters were so cold,
hunger was the only thing we've known,
and rock n' roll dreamin' was what saved us.

R: Like soldiers...

*: Til we see the sun.
Til we see the sun.
Through the good times,
Through the bad times,
Through the long days,
through the hard nights.
Keep on til we see the sun.

R: Like soldiers... (2x)

Even when there's no one there for you march on.
even when the days are long for you march on.
Like soldiers,
March on
