

Movin' On

Good Charlotte

When I think about my life I wonder
If I will survive to live to see 25 or will I just fall
Like all my friends they just keep dying
People round me always crying in this place that I like to call
my home

But not everybody knows that everybody goes to a better place
And not everybody know that they could be living there last day
s

But the hard time will come and will keep movin on were movin'
on
Keep movin' on life, hope, truth, trust, faith, pride, love, lu
st
On without the things we've lost the things we've gained will t
ake with us

And now I got are these to hands to make myself a better man
But I wonder if I will ever see the end of this
With all this rain it just keeps falling on my head and now I'm
crawling
Out to someone else to make the end of this

But not everybody knows that everybody goes to a better place
But not everybody know that they could be living there last day
s

But the hard times will come and will keep movin' on were movin'
' on
Keep movin' on life, hope, truth, trust, faith, pride, love, lu
st
Pain, hate, lies, guilt, laugh, cry, live, die
Some friends become enemy's some friends become your family
Make the best with what your giving this ant dying this is livi
ng

So your movin' on and you've got nothing to prove to anyone
But you'll get through were movin' on and on and on and on
And on and on and on and on and on and on and on an and on and
on

Keep movin' on life, hope, truth, trust, faith, pride, love
Lust, pain, hate, lies, guilt, laugh, cry, live, die
Some friends become enemy's some friends become your family
Make the best with what your giving this ant dying this is livi
