

Riot Girl

Good Charlotte

She's got tattoos and piercings
She likes Minor Threat, she likes Social Distortion
My girl's a hot girl
A hood ride who needs an attitude adjustment

Christina, wouldn't wanna meet her
She hates you Britney so you better run for cover
My girl's a hot girl
A riot girl and she's angry at the world

Emergency, call 911
She's pissed off at everyone
Police rescue, F.B.I.
She wants a riot, she wants a riot

And everywhere we go, she gets us thrown out constantly
But that's okay
'Cuz I know, I know, I know my baby would do anything for me
Yeah

Christina, wouldn't wanna meet her
She hates you Britney so you better run for cover
My girl's a hot girl
A riot girl and she's pickin' on the world

I said
Emergency, call 911
She's pissed off at everyone
Police rescue, F.B.I.
She wants a riot, she wants a riot
She wants a riot, she wants a riot

Don't you know that all I really want is you
Got it all and all I really want is you

Emergency, call 911
She's pissed off at everyone
Police rescue, F.B.I.
She wants a riot, she wants a riot

Emergency, call 911
She wants a riot, she wants a riot
Police rescue, F.B.I.
She wants a riot, she wants a riot
