Good Charlotte

Is anybody listening?
Can they hear me when I call?
I'm shooting signals in the air
'Cause I need somebody's help
I can't make it on my own
So I'm giving up myself
Is anybody listening?
Listening

I've been stranded here and I'm miles away
Making signals hoping they'd save me
I lock myself inside these walls
'Cause out there I'm always wrong
I don't think I'm gonna make it
So while I'm sitting here
On the eve of my defeat
I'll write this letter and hope it saves me

Is anybody listening?
Can they hear me when I call?
Shooting signals in the air
'Cause I need somebody's help
I can't make it on my own
So I'm giving up myself
Is anybody listening?
Listening

I'm stuck in my own head and I'm oceans away
Would anybody notice if I chose to stay?
I'll send an SOS tonight
Wonder if I will survive
How in the hell did I get so far away this time
So now I'm sitting here
The time of my departure's near
I say a prayer
Please someone save me

Is anybody listening?
Can they hear me when I call?
Shooting signals in the air
'Cause I need somebody's help
I can't make it on my own
So I'm giving up myself
Is anybody listening?
Listening

I'm lost here
I can't make it on my own
I don't wanna die alone
I'm so scared
Drowning now
Reaching out
Holding on to everything I know
Crying out
Dying now
Need some help

Is anybody listening?
Can you hear me when I call?
Shooting signals in the air
I need somebody's help
I can't make it on my own
So I'm giving up myself
Is anybody listening?
