

Seasons

Good Charlotte

Summer air reminds me of
All the feelings of your love
And what it was like
When we were together
Walking all along the beach
You were never far from my reach
And you held me
Through the stormy weather
And I
I wanna fall in love
Tonight
And I
Remember when you said
Everything
Is gonna be alright

Laying in the summer grass
You told me not to talk so fast as I told you
How I feel
You made me feel right at home
You told me I was not alone
And you knew
Just how I feel
I know we talked about it
I just can't get around it
I just want one more night with you

I
I wanna fall in love
Tonight
And I
Remember when you said
Everything
Is gonna be alright

October air reminds me of
All the seasons of your love
And what it was like
When we were together
The smell of fall is everywhere
And though it seems I just don't care 'cause now
You've gone away

I
I wanna fall in love
Tonight
I
Remember when you said
Everything
Is gonna be alright (alright)
I wanna fall in love
I wanna fall in love
Tonight
