

## Secrets

Good Charlotte

In the dark  
In the darkness you will find  
Dirty little secrets we all hide  
Cause' we all have a darker side  
A place we keep where no one else will find

Cause' everybody wants to hide their secrets away  
Nobody wants to stand up to the pain  
But I will stand up to the pain  
Wake up and fight again  
If you could dance with me through this rain  
And we will fight, we'll fight again, fight again

In the back, in the closets of your mind  
That's where skeletons and dirty secrets hide  
And I'll rip out my insides  
And leave them on display for you tonight

Cause' everybody wants to hide their secrets away  
Nobody wants to stand up to the pain  
But I will stand up to the pain  
Wake up and fight again  
If you could dance with me through this rain  
And we will fight, we'll fight again, fight again  
(fight again, fight again)...

All my life I hide my secrets away,  
In the dark, in the dark, in the dark  
We all try to hide our secrets away,  
In the dark, in the dark, in the dark

Stand up to the pain  
Wake up and fight again  
If you could dance with me through this rain  
And we will fight, we'll fight again, fight again  
Fight again  
Cause' everybody wants to hide their secrets away  
And that's ok  
Nobody wants to stand up to the pain  
Fight again
