

The Day That I Die

Good Charlotte

One day I woke up
I woke up knowing
Today is the day
I will die

Cashdogg was barking
Went to the park and enjoyed it one last time
I called my mother, told her I loved her
And I begged her not to cry

I wrote a letter
That said I'd miss her
And I signed that Goodbye

[Chorus:]
You know the happiest day of my life
I swear the happiest day of my life
Is the day that I die
Can you feel the cold tonight (the day that I die)
It sets in, but it's alright (the day that I die)
Darkness falls, I'm letting go (the day that I die)
All alone but I feel just fine (the day that I die)

We took a drive and we drove to D.C.
To see the places we live
Long conversations we talked of old friends
And all the things that we did

Summer nights
Drunken fights
Mistakes we made
Did we live it right

[Chorus:]
You know the happiest day of my life
I swear the happiest day of my life
Is the day that I die
Can you feel the cold tonight (the day that I die)
It sets in, but it's alright (the day that I die)
Darkness falls, I'm letting go (the day that I die)
All alone but I feel just fine (the day that I die)

[Chorus:]
You know the happiest day of my life
I swear the happiest day of my life
I know the happiest day of my life
Is the day that I die
Can you feel the cold tonight (the day that I die)
It sets in but it's alright (the day that I die)
Darkness falls, I'll letting it go (the day that I die)
All alone but I feel just fine (the day that I die)

Did I live it right, I hope I lived it right (the day that I die)
Did I live it right, I know I lived it right (the day that I die)
Did I live it right, I hope I lived it right (the day that I die)
