

# We Believe

Good Charlotte

There's a woman crying out tonight  
Her world has changed  
She asks God why  
Her only son has died  
And now her daughter cries  
She can't sleep at night

Downtown  
Another day for all the suits and ties  
Another war to fight  
There's no regard for life  
How do they sleep at night  
How can we make things right?  
Just wanna make this right

We believe  
We believe  
We believe  
We believe  
We believe  
We believe  
In this love

We are all the same  
Human in all our ways and all our pain  
(So let it be)  
There's a love that could fall down like rain  
(Let us see)  
Let forgiveness wash away the pain  
(What we need)  
And no one really knows what they are searching for  
(We believe)  
This world is crying for so much more

We believe  
We believe  
We believe  
We believe  
We believe  
We believe  
In this love

We believe  
We believe  
We believe  
We believe  
We believe  
In this love

So this world  
Is too much  
For you to take  
Just lay it down and follow me  
I'll be everything you need  
In every way

We believe

We believe  
We believe  
We believe  
We believe  
We believe  
In this love  
(In this love)  
We believe  
(In this love)  
We believe  
(In this love)  
We believe  
(In this love)
