

## Where Would We Be Now

Good Charlotte

I smile, you laugh, I look away  
I sigh, you ask me why, I say,  
It's ok and I am just feeling' down  
Your hand on mine I hear the words  
If only love had found us first,  
Our lives they would be different, oh  
So I stand and wait, I am just a man, oh

Where would we be now baby,  
If we found each other first,  
Where would we be now baby,

And now I must confess, that I am a sinking ship  
And I'm anchored by the weight of my heart  
Cause its filled with these feelings  
But I keep my true thought locked, beside my hearts black box  
And it wont be found, it won't survive through the smoke or the  
wreckage  
So I crash and burn, I got a lot of things to learn, oh

Where would we be now baby,  
If we found each other first  
What would you do now darling,  
If I said these simple words  
I'll wait, I'll wait  
As long as you want  
But where would we be now baby

I'll wait, I'll wait

Where would we be now baby,  
If we found each other first  
What would you do now darling,  
If I said these simple words  
I'll wait, I'll wait  
As long as you want  
But where would we be now baby  
I'll wait, I'll wait, I'll wait, I'll wait
