

## My Own Sinking Ship

Good Old War

What will be your story now  
Today it's something far inside  
Hurts your body close your eyes  
And I'll bring you back to here

You are my own sinking ship  
'Cause everyday the current shifts  
And I picked apart your wasted lies  
to get you back to here

Oh it's the last time we'll fall in love  
Oh it's the last try to break apart  
You are not to blame

Why can't I just be all right?  
Why cant I invade your mind?  
Somedays we're just so far off  
But I want you back right here

Oh it's the last time we'll fall in love  
Yeah, it's the last try to break apart  
Sayin you are not to blame

Can't remember your last smile  
I think I made it happen though  
Then I took you off to work once more  
But I just want you, I just want you,  
I just want you here

Oh it's the last time we'll fall in love  
Yeah, it's the last try to break apart  
Sayin you are not to blame
