

That's What's Wrong

Good Old War

You're gone, so I worry about nothing else
You're eyes, destroy me everytime I think
I go, as far as I can get to still stay close

To see you if you've changed
I'm the same
That's what's wrong
(That's what's wrong)
That's what's wrong

I said, "I've got to just get on with this"
You are, the only thing I think about
But I left, as far as I can get to still stay close

To see you if you've changed
I'm the same
That's what's wrong
(That's what's wrong)
That's what's wrong

Come and see
There's nothing going on
There's nothing going on with me
I've come and seen
There's nothing going on
There's nothing going on with me

One time, I drove around your neighborhood
I passed, to see if any lights were on

To see you if you've changed
I'm the same
That's what's wrong
That's what's wrong
That's what's wrong
That's what's wrong
