

## I Melt with You

Good Riddance

Moving forward using all my breath  
Making love to you was never second best  
I saw the world thrashing all around your face  
Never really knowing it was always mesh and lace  
I'll stop the world and melt with you  
You've seen the difference  
And it's getting better all the time  
There's nothing you and I won't do  
I'll stop the world and melt with you  
Dream of better lives, the kind which never hate  
Started in the state of imaginary grace  
I made a pilgrimage to save this human race  
Never comprehending a race that long gone by  
I'll stop the world and melt with you  
You've seen the difference  
And it's getting better all the time  
There's nothing you and I won't do  
I'll stop the world and melt with you  
The future's open wide  
I'll stop the world and melt with you  
I've seen some changes  
But it's getting better all the time  
There's nothing you and I won't do  
I'll stop the world and melt with you
