### Good Riddance

try to restore the past discrimination try to restore the past  
male domination try to restore the past close-minded education  
try to restore the past now we all are labelled if you could hear  
what they say and what they promised me today what you get is  
what you see until there's nothing left for me we owe a lot to  
our founders christian values we owe a lot to our founders killing  
the natives we owe a lot to our founders they gave us freedom  
of speech we owe a lot to our founders and now it's all out of  
reach what's wrong? do you want to know? what's wrong? do you  
want to know? what's wrong? do you want to know? i know what's  
wrong and you ought to know
