Never Meant to Hurt You

Good Shoes

Do you ever feel like you've broken someone's heart, I do
Do you ever, feel like you were lying from the start, I do
And you twist and turn, you say a fucking bore and I say
Do you ever feel like you've broken someone heart
Met a girl on a plane to Canada
Drinking wine, watching maid in Manhattan
My friends are getting drunk
I think that Joel threw up
Things were so much better when we were young
I, I never meant to hurt you
You, you never knew I didn't love you
I hope your fine
The fault is mine
I'm just sorry that I'm such a typical man
Do you ever feel like you've broken someone's heart, I do
Do you ever, feel like you were lying from the start, I do
And you twist and turn, you say a fucking bore and I say
Do you ever feel like you've broken someone heart
Met a girl on a plane to Canada
All black hair and floral dress patterns
She wore too much top shop
I'm just so arrogant
People said we looked like the perfect couple
I, I never knew you were so insecure
You, you never knew that I was too
Said you were in love
I thought I didn't give a fuck
I don't think I've ever loved anyone
I never meant to hurt you.
