

## Small Town Girl

## Good Shoes

Read a story about a small town girl  
Who came from humble beginnings  
To just do oh so well  
She used to go to Raynes Park High School  
But now she lives in Hollywood  
Up in those there hills

And I say  
Its ok and its alright  
But she says everything keeps going oh so wrong in my life  
And I say; you've got it all you've got it made  
But she says money honey, darling just can't buy me everything  
And I say everything's ok  
Everything's alright

I've tried everything I possibly can  
She says, I bet all I was, was just a shag  
She says I'm fed up with just being friends  
But I said thats the end of the story  
That's just the way it is

If you ask me for my secrets  
I'll never tell  
Because you might like what I've got to say
