

Man From Reno

Goran Bregović

If I could lose
If you could
Choose

For this next Dance
You might choose
me

I ain't no pussy
With the blues

Just step out on
The floor
And see

Can't follow
A man from
Reno

Follow a man
From Zurich

Follow a man
From Italy

Can't follow
A man with
Brain grass

Follow his long
Long eye
Gas

Follow a man
From Munich

Running out
Of luck
Running out
Of luck
In the
Midnight

Zodiac killers
Drained their
Hands
And wipe away
The shadows
From the walls

Neighbours all say
He's got no
Friends

His friends all say
You got him
By the balls

Look up
You might even
Shred the
Stars

Look up
Might even
Stop the
Scars

Zodiac killer
Needs that crack
He wants you
Back
He's waiting
In the
Bars

Zodiac killer
Needs that crack
He wants you
Back
He's waiting
In the Bars
Look up
You might even
Shred the
Stars

Look up
Might even
Stop the
Scars

Can't follow
A man from
Reno

Follow a man
From Izmir

Follow a man
Royaume-Uni (Wyoming)

Follow this
Waving heather

Follow the angry
Weather

Man from
Sarajevo

Running out
Of luck
Running out
Of luck
In the
Midnight

Zodiac killers
Drained their

Hands
And wipe away
The shadows
From the walls

Look up
You might even
Shred the
Stars

Look up
Might even
Stop the
Scars

Zodiac killer
Needs that crack
He wants you
Back
He's waiting
In the
Bars

in the midnight
waiting in the bars
