## **Man From Reno**

## Goran Bregović

If I could lose If you could Choose

For this next Dance You might choose me

I ain't no pussy With the blues

Just step out on The floor And see

Can't follow A man from Reno

Follow a man From Zurich

Follow a man From Italy

Can't follow A man with Brain grass

Follow his long Long eye Gas

Follow a man From Munich

Running out Of luck Running out Of luck In the Midnight

Zodiac killers Drained their Hands And wipe away The shadows From the walls

Neighbours all say He's got no Friends

His friends all say You got him By the balls Look up You might even Shred the Stars

Look up
Might even
Stop the
Scars

Zodiac killer
Needs that crack
He wants you
Back
He's waiting
In the
Bars

Zodiac killer
Needs that crack
He wants you
Back
He's waiting
In the Bars
Look up
You might even
Shred the
Stars

Look up Might even Stop the Scars

Can't follow A man from Reno

Follow a man From Izmir

Follow a man Royaume-Uni (Wyoming)

Follow this Waving heather

Follow the angry Weather

Man from Sarajevo

Running out Of luck Running out Of luck In the Midnight

Zodiac killers Drained their Hands
And wipe away
The shadows
From the walls

Look up You might even Shred the Stars

Look up Might even Stop the Scars

Zodiac killer
Needs that crack
He wants you
Back
He's waiting
In the
Bars

in the midnight
waiting in the bars
