## **Did She Mention My Name?**

## **Gordon Lightfoot**

It's so nice to meet an old friend and pass the time of day
And talk about the home town a million miles away
Is the ice still on the river, are the old folks still the same
And by the way, did she mention my name
Did she mention my name just in passing
And when the morning came, do you remember if she dropped a nam
e or two

Is the home team still on fire, do they still win all the games And by the way, did she mention my name

Is the landlord still a loser, do his signs hang in the hall Are the young girls still as pretty in the city in the fall Does the laughter on their faces still put the sun to shame And by the way, did she mention my name

Did she mention my name just in passing And when the talk ran high, did the look in her eye seem far aw ay

Is the old roof still leaking when the late snow turns to rain And by the way, did she mention my name

Did she mention my name just in passing  $\mbox{\sc And looking}$  at the rain, do you remember if she dropped a name or two

Won't you say hello from someone, they'll be no need to explain And by the way, did she mention my name
