

Go My Way

Gordon Lightfoot

Go my way and I'll be good to you
Go my way and your dreams will all come true
In the sunset the wild waves are callin'
My shadow is followin' you

Go my way and I'll take you by the hand
Believe in me and I'll do the best I can
I can't be anything but just what I am
I can't help it if I'm in love with you

Why must I sail my ship alone without a friend
My thoughts are on you, I dare not ask again

Go my way it's the only way to go
If things aren't workin' out, you'll be the first to know
Come on along and together well go
Please love me and say that you'll be mine

Why must I sail my ship alone without a friend
My thoughts are on you, I dare not ask again

Go my way it's the only way to go
If things aren't workin' out, you'll be the first to know
Come on along and together well go
Please love me and say that you'll be mine
