

If You Need Me

Gordon Lightfoot

If you want to know all reasons
For the things I feel inside
You can run away and hide
If you want to

But if you need me
Show me a way to get through
?Cause I've not see anyone like you
Since I was a man

If you want to know for certain
What is written in my soul
Where my wildest dreams unfold
Like an endless stream

If you need me
Show me a way to walk tall
?Cause I've not seen anything at all
Until I met you

Sun lights up the seasons
Blue eyes light up the night

If you want to know the meaning of
These feelings that's alright
I could be with you tonight
That's where I'd like to stay

If you need me
Show me a love that is true
?Cause I've not seen a woman like you
Since I was a man

If you want to know what magic lies
Beneath the halo'd moon
In each corner of each room
Where my love has strayed

If you need me
Show me a way to walk tall
?Cause I'd not seen anything at all
Until I met you

If you need me
Show me a way to get through
?Cause I've not seen anyone like you
Since I was a man
