

## Lazy Mornin'

Gordon Lightfoot

Another lazy mornin'  
No need to get down on anyone  
My son  
Coffee's in the kitchen  
Woman on the run  
No need to get bothered  
I'll think about Monday  
When Monday comes  
It's two for one  
Mister hoot 'n holler  
Gotta make a dollar  
Another lazy mornin'  
I took time to make town 'n stock a pint or two  
The most delicious brew  
Keepin' up with the Joneses  
I hope no one telephones us  
I'd take a place in the country  
But for now the old back yard  
Looks to me like fifty acres  
Of the roundest ground in town

Another lazy mornin'  
Come suppertime I'm gonna light my barbecue  
Nothin' new  
Only that she loves me  
And nothin' I know can change me  
No need to get bothered  
I do more livin' than it might seem  
Some dream  
Livin' like a pauper  
Bless my darlin' daughter

I'd like to know what makes a man go  
Over land and sea  
I guess it must get kinda lonesome  
That's the way I used to be

Another lazy mornin'  
No need to get down on anyone  
Such fun  
Coffee's in the kitchen  
Woman on the run
