Gordon Lightfoot

Another lazy mornin' No need to get down on anyone My son Coffee's in the kitchen Woman on the run No need to get bothered I'll think about Monday When Monday comes It's two for one Mister hoot 'n holler Gotta make a dollar Another lazy mornin' I took time to make town 'n stock a pint or two The most delicious brew Keepin' up with the Joneses I hope no one telephones us I'd take a place in the country But for now the old back yard Looks to me like fifty acres Of the roundest ground in town

Another lazy mornin'
Come suppertime I'm gonna light my barbecue
Nothin' new
Only that she loves me
And nothin' I know can change me
No need to get bothered
I do more livin' than it might seem
Some dream
Livin' like a pauper
Bless my darlin' daughter

I'd like to know what makes a man go Over land and sea I guess it must get kinda lonesome That's the way I used to be

Another lazy mornin'
No need to get down on anyone
Such fun
Coffee's in the kitchen
Woman on the run
