

## Scourge Of The Christians

Gorgasm

Chain and secure the chapel doors.  
Axe in hand I stand Before the  
congregation. Figure of Iniquity  
Scourge of the Christians I impose  
my will. Orgy of murder I'm driven  
to kill. Hacking my way through the  
herd. The meek inherit my wrath.  
Headless bodies convulsing. Limbs  
decorate the pews. Twitching victims.  
Covered in entrails. Raping survivors.  
Drunk on the blood of Christ.
