

## Third Degree Taste

Gorgasm

Searching for my next scalded piece of meat. In the parking lots I wait. Lurking in the dark, erect from excitement. Grab this bitch around her throat. Toss her in the van she screams in terror. Tape her fucking mouth shut. My next victim she will get a taste. Boiling hot water for this bitch. She will get a third degree taste. Burn you bitch. Third degree burns Rise from your face as I fuck you in your scalded mouth. Shooting my load on boiled lips. The climax is the best for me With her flesh still bubbling. Bitch you got my third degree taste.
