

Doing It Wrong

Gorgon City

When a good thing goes bad it's not the end of the world
It's just the end of a world, that you had with one girl
And she's the reason it happened, but she's overreacting
And it's all because she don't want things to change

So cry if you need to, but I can't stay to watch you
That's the wrong thing to do
Touch if you need to, but I can't stay to hold you
That's the wrong thing to do
Talk if you need to, but I can't stay to hear you
That's the wrong thing to do
Cause you'll say you love me, and I'll end up lying
And say I love you too

But I need someone different
You know it, oh ho, you know it
I need someone different
Oh ho, you know it, we know it
Something's been missing
Oh ho, you know it, we know it
I need someone different
Oh ho, you know it, we know it

We live in a generation of, not being in love, and not being to
gether
But we sure make it feel like we're together
Cause we're scared to see each other with somebody else

So cry if you need to, but I can't stay to watch you
That's the wrong thing to do
Touch if you need to, but I can't stay to hold you
That's the wrong thing to do
Talk if you need to, but I can't stay to hear you
That's the wrong thing to do
Cause you'll say you love me, and I'll end up lying
And say I love you too

But I need someone different
You know it, oh ho, you know it
I need someone different
Oh ho, you know it, we know it
Something's been missing
Oh ho, you know it, we know it
I need someone different
Oh ho, you know it, we know it
