

# Elevate

Gorgon City

I, I feel electric, feel it coming on  
It's what we do  
I, I've been waiting just to sing my song  
Just for you  
Keep it rising with the sun  
Keep it rising  
Make me feel like number one  
Come inside it

You got me feeling like I'm in a cloud  
We were meant to stand out from the crowd  
And you know we're never coming down  
Down, down, down

Elevate, yeah  
'Vate, yeah  
Elevate, yeah  
'Vate, yeah

I, I've been holding onto us all night  
Me and you  
Move, move your body like you're supposed to  
Supposed to  
No use in fighting, we have fun  
Be united  
If we're not bringing no love  
What we bringing?

You got me feeling like I'm in a cloud  
We were meant to stand out from the crowd  
And you know we're never coming down  
Down, down, down

Elevate, yeah  
'Vate, yeah  
Elevate, yeah  
'Vate, yeah

Keep it rising  
Keep it rising

Elevate, yeah  
'Vate, yeah  
Elevate, yeah  
'Vate, yeah

Keep it rising  
Keep it rising
