## Hard On Me

**Gorgon City** 

Face down on my chest Wake up and you are there Your touch takes my tears But I'm lying here wondering if you are sincere

I pray that what you give me is real I hate that it's the way I feel Nothing seems too clear for me to see

And I can't dream for love with you If I can't recognize the truth I watch you as you rest I'm so confused

'Cause I don't wanna be used darling it's too hard on me And I don't know what to do darling but choose honesty And I don't wanna be used darling it's too hard on me And I don't know what to do darling but choose honesty

Brush your hair off your cheeks And your smile as you're fast asleep My fears tell me to go But as you're whispering in my ears that I soothe So I don't

I pray that what you give me is real I hate that it's the way I feel Nothing seems too clear for me to see

But I don't wanna be used darling it's too hard on me And I don't know what to do darling but choose honesty And I don't wanna be used darling it's too hard on me And I don't know what to do darling but choose honesty

Oh please darling don't use me Please darling don't use me Oh please darling don't use me

So I don't know how I can take it And I don't know how I can make it And I don't know how I can take it And I don't know how I can make it

Please darling don't Please darling don't
