Saving My Life

Saved my life, woah

Saving my life Saving my life

Do you feel like a teardrop in the ocean? Can you feel the dark force in the air? Is it hard when you get up, and get back in the moment? And you're not moving anywhere Do they tell you "dream small and surrender To what is easy and in the front of your face"? If you're scared, you only doubt and you're never getting out Then this is what you gotta say I'm saving... Saving my life Saving... Saving my life I'm saving... Saving my life Saving... Saving my life Saving... Are you stuck in a rat race that you won't win? Are you scared that you'll never wake up? Will they make you punch in, when you're there in the morning And punch out when they've had enough? Well, there's a life and it's out there for the taking You can run and you can leave this behind Tell you, it's a trap and they caught you in the act Ain't nothing but a state of mind I'm saving...
