

## Good Intentions

Gorilla Biscuits

Things I try don't work out. Other people  
Gripe and shout. That's not positive. I'm  
Not perfect. I'm just Civ.  
Trial and error...Good Intentions!  
Throw a beer at the stage, that's how you  
Behave. Paid admission, had no fun.  
You think I'm the stupid one.  
Think again...Good Intentions!  
I'll just try my best...and you?  
Nothing.
