Talking all about what should I expect
Now my time is free your no where to be found
This time I'll try for the first time in my life
Procastinate it cant wait

Lets start today

My rooms a mess and I cant get dressed
I gotta be out by 8 o clock
Deep inside I know the answer
WEll there's no time like the present
And I like to hang out but who doesnt?
Made enough mistake for this lifetime
But didnt make ammends

This time il try for the first time in my life
World passed me by
Procrastinate it cant wait ive put it off
