i ain't seen you 'round in a minute
you done growed up and swolled and lookin' tented
i saw ya moms around the way
you know she put me up on it
how you been runnin' 'round with dre and takin' trips up the road
what lakeisha doin'?
oh ya'll ain't together no mo'?
fo' real man?
i can't believe she over there stayin' with joe
cause didn't his door just get kicked in?
i thought he just get out hte pin and goin' back again
i heard he ain't gone do no less than ten
that's a shame man
the game done put another one down and truth tell
you 'bout three feet and half way in the ground
dawg you better than this
don't let that money make you no fool
by now you could of graduated and been finished with school
but anyway
i just wanted to try to say ma 'til piece
don't be deceived boy
you ain't gone find ma love in these streets
and that heat you hold ain't nothin but false power and control
and that drove gone keep you blind from that potential in yo' mind
look man i ain't yo' daddy
and ain't tryin' to be neither
but i love you like you mine
and i want you to see
you wanna be a man, then face the one that's given you life
and live to do his will cause shawty that's what's happenin' for real
(for real)
course
tell me what's happenin'
i'll be on ma way
(i'll be on ma way)
