

# What It Is

Gorilla Zoe

Ricky Ross. Gorilla Zoe.

We took the 4's of the Chevy  
And we set it on those 6's,  
Lipstick on the rims  
Got the rims blowin' kisses,  
They know what it is, ya'll know what it is,  
He know what it is, she know what it is.  
Twenty rubber bands  
You can get yourself a pigeon,  
Bring another band  
Get yourself a pound of midget,  
They know what it is, ya'll know what it is,  
He know what it is, she know what it is.

Threw them 26-inch shocks on a '71 Chevelle  
Like I'm ridin' carousel, shawty I can't parallel,  
They say shawty give a mill,  
Shawty I'ma give a mill,  
Quarter milli worth of jewelry  
Like that boy can't even care  
'Bout no money, 'bout no ho,  
'Bout no car, 'bout no clothes,  
Boy you better hold your nose  
'Cuz I'm shitting, hold your nose,  
Get a Louis bag for what?  
Bitch I been had swag,  
I got 50 thou' cash in a brown Kroger bag.

I'm flippin' like we on a plane  
It must be how we takin' off,  
You feelin' like a lame?  
Well shawty we'll be shortly takin' off,  
Run up on me if you want  
You won't have time to make a call,  
Give the burner to my dog  
He catch a case I break 'em off,  
Puttin' mileage on my Pyrex,  
Yeah we call that bakin' off,  
Talkin' fast, countin' cash,  
Take that pussy hit them all,  
Never wear a rubber  
Where I'm from we call that livin' fast,  
CEO of Maybach Music but I need No Limit cash,  
Master P done with the kilo,  
Puerto Rico, sí gordito,  
Finest nigga in the game,  
Can a playa shoot a free throw?  
(Swish!) I'm speakin' the facts,  
It's Deeper Than Rap,  
Paid off the Maybach  
And I did it three weeks in the trap.

My chain is worth a mansion  
And my wrist is worth a Lambo  
But I'm livin' in a mansion  
And I'm ridin' in a Lambo,

Bunch of ganstas like Sopranos,  
Like keys, like pianos,  
And I'm lookin' for a bitch  
That wants to join me in a porno.  
Hello darling, how you doin'?  
That's your man? You need to lose him,  
He ain't doin' what I'm doin',  
I go tall like Patrick Ewing,  
Urkel purple pants are cushioned,  
Straight from Oakland they just flew in,  
If I bust that package open,  
You would think I started booin'.

Block Entertainment. Maybach Music.  
Yeah, yeah.
