

# Cloud of Unknowing

Gorillaz

On the cloud of unknowing  
My world seems open  
Every satellite up here is watching  
But I was here from the very start  
Trying to find a way to your heart

All the days are forgetting  
They've gone out with the tide  
Lost at sea somewhere, waiting  
Like setting suns at the rodeo  
Trying to find someone you'll never know

Oh, sinking love  
On the cloud of unknowing  
Every satellite up here is watching  
Waiting to see what the morning brings  
May bring sunshine on it's wings
