

# DARE

Gorillaz

It's coming up, it's coming up  
It's coming up, it's coming up  
It's coming up, it's coming up  
It's dare

It's dare

You've got to press it on you  
You just think it  
That's what you do baby  
Hold it down dare

Jump with them all and move it  
Jump back and forth  
And feel like you were dare yourself  
To work it out

Never did no harm, never did no harm  
It's dare

It's coming up, it's coming up  
It's coming up, it's coming up  
It's coming up  
It's dare  
It's dare

You've got to press it on you  
You just think it  
That's what you do, baby  
Hold it down dare

Jump with the moon and move it  
Jump back and forth  
It feels like you would dare yourself  
To work it out

Never did no harm  
Never did no harm  
It's dare

It's coming up, it's coming up  
It's coming up, it's coming up  
It's coming up  
It's dare

Never did no harm  
Never did no harm  
It's dare

It's coming up, it's coming up  
It's coming up, it's coming up  
It's coming up  
It's dare

Oh

You've got to press it on you

You just think it  
That's what you do, baby  
Hold it down dare

Jump with the moon and move it  
Jump back and forth  
And feel like you would dare yourself  
To work it out

You've got to press it on you  
You just think it  
That's what you do, baby  
Hold it down dare

Jump with them all and move it  
Jump back and forth  
It feels like you would dare yourself  
To work it out
